Thanks, Bill!

If Russ did show up late, you can make the comment on the draft minutes when they go out. We just didn't want to be too off on the names we had.

Stephanie:

Answers to your questions:

It's Agnes Antonian;

Hank Martin from ELM representing BASF;

You've got Tal's name correct: Tal Ijaz.

GE's rep on the CPG Technical Committee is Russ Keenan from Integral - but I don't see him on the sign-in sheet. Wondering if he arrived late - I can check if you want.

Thx,

Bill P.

Hi Bill,

We are getting ready to send the draft minutes out from last week's meeting, but are having trouble deciphering some of the names on the sign-in sheet. Could you help with these?

CF-PSEG: Aono Antonian

ELM: Hatic Mazrt (and who does he/she represent?)

GeoTrans for Alcatel-Lucent: Tal Ijaz

Also, was anyone there representing GE? Someone thought they heard someone was there for GE, but they're not mentioned on the sign-in.

Thanks,

Stephanie
